

MAP GROWTH NEWS

Bringing you purposeful monthly MAP updates, tips, and resources designed to help students learn, teachers teach, and leaders learn.

Have You Closed Your Testing Window?

Did you know you have to **manually** close your testing window after each testing season? When you close your testing window your summative reports are generated, and it will ensure that your staff will have access to the full battery of reports the following day.

To close the window: Log into [MARC](#)>Modify Preferences>Manage Terms>Select the 2018-2019 School Year>View/Update>Mark Test Window Complete for the Fall term>Submit.

3 Reasons Why You Might Want to Observe Your Students Taking the MAP Growth Assessment

Did you observe your students taking the MAP Growth Assessment? Did it ever occur to you to do so? Read below to find out why this teacher recommends you start doing so:
